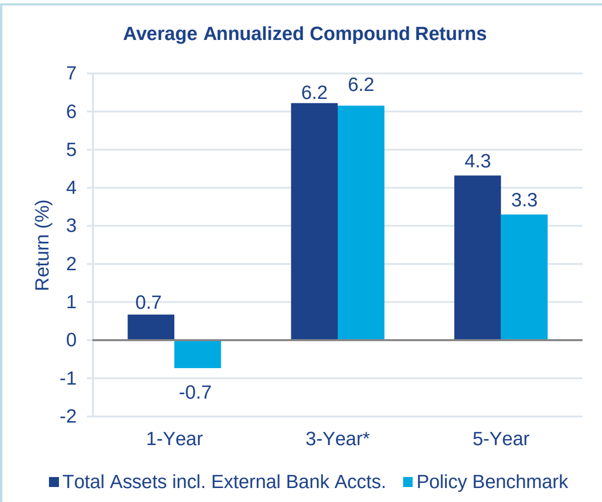
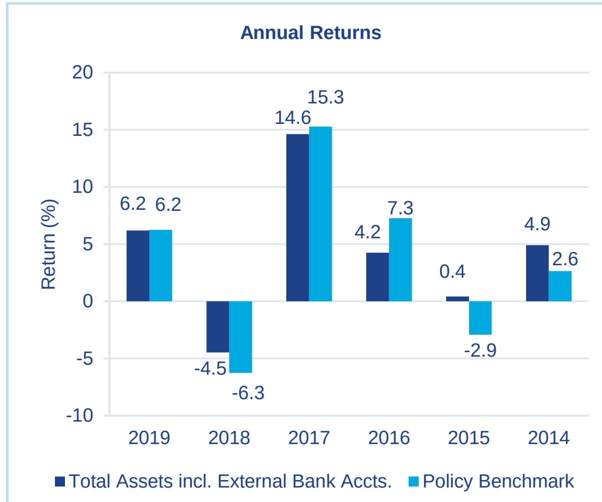
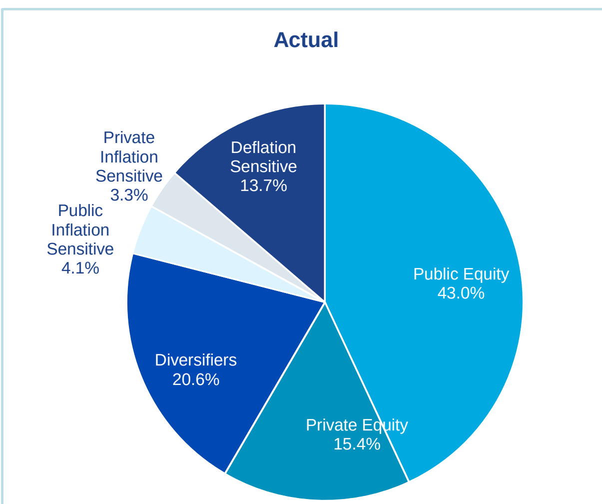
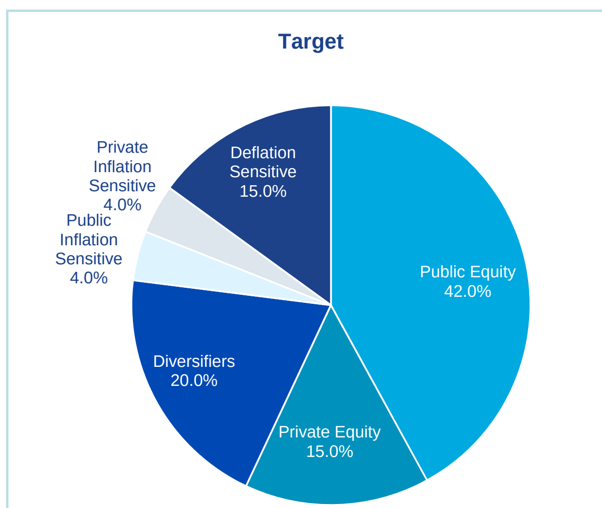
Bloomberg Barclays Aggregate Bond Index	1.8	4.8	6.4	2.5	2.7	3.8









* The portfolio transitioned from TIFF to Cambridge Associates between April-September, 2016.

INVESTMENT STRATEGY - GNOF uses a total return approach to investment management. The Investment Policy seeks to produce an annualized real, or inflation adjusted, return of 5% or more over long term holding periods. To reach this goal, the Investment Committee of the Board of Trustees works closely with an investment consultant to utilize a globally diversified mix of public and private equities, bonds, and other assets. *Note: Actual allocation pie chart includes bank accounts allocated according to their respective benchmarks.*
